January Sermon Series: Job - When Life Doesn't Go as a Planned

Most people have an idea how life should go. go. Plans are made to graduate from High School and/or college and get a job, get married, raise a family, stay healthy, retire with enough resources and die happy with our family and friends surrounding us.

Those are great plans but how will we handle it when life doesn't go as planned? What if we don't graduate or get married? What if we don't get that job or retire with plenty of resources? What if our health takes a hit and we battle physical issues the rest of our lives?

One of the oldest books in the bible addresses this issue and gives all of us a solution to handle challenges. Join us this January as we begin a 7 week series studying this great book called Job.

Invite a friend and start the new year out right!

-Pastor Rustin

"But he knows the way that I take; when he has tested me, I will come forth as gold. My feet have closely followed his steps; I have kept to his way without turning aside." Job 23:10-11
